

Baronial Wars (June 2006)

Two baronies did meet this day  
in Sterlyngvayle they came to play  
Endless Hills brought rain  
Delftwood proved again  
at "Fabulous" we do reign!

I fear Sir Murdoch did fence best  
Alexander fought with such zest  
in rounds numbered five  
Alexander did strive  
to prove Delftwood prowess possessed.

Fennis, Desi and Boris fenced this morn  
like mantles, their new authorizations worn  
they all can be proud  
and Delftwood's allowed  
to be proud of our "Keep" even more!

Lord Conrad did take the field  
a mighty honor did he wield  
he dealt several blows  
to his Endless hill foe  
might fighting skill was revealed

But 'twas shopping that was the core  
for the merchants did keep score  
much coin was spent  
delftwood did not relent  
and by ONE POINT won the war!
